Re: Daniel Kleeberg, Lisa Stein and Audrey Hays v. Lester Eber, et al.  
Civ. Action No.: 16-cv-09517-LAK-KHP

Dear Judge Parker:

For a number of reasons, including health issues involving my 95 year-old mother that have required repeated medical attention this week, I have asked all counsel in this proceeding if they would consent to an extension of the due date for filing of the reply papers in the pending summary judgment motions from this Friday, December 20 to Monday December 23. They have all graciously agreed, with the caveat that such an extension would not impact the oral argument date now scheduled for January 8, 2020, subject to Your Honor's approval.

Accordingly, please consider this request for such an extension to December 23 of the deadline for the pending summary judgment motion reply papers in this action.

All counsel have reviewed and approved this letter.

Thank you for your continued attention to this matter. And very best wishes for the coming Holidays.

Respectfully submitted,

  
Robert B. Calihan
